Invited Session on Advanced Image Recognition and Retrieval

2007 International Conference on Innovative Computing, Information and Control (ICICIC-07)
September 5-7, 2007
Kumamoto City International Center, Kumamoto, Japan

Session Organizer: Prof. Hiromitsu Hama

I am organizing a special session on Advanced Image Recognition and Retrieval for ICICIC 2007, which will be held in Kumamoto, Japan on September 5-7. This session aims at bringing together researchers working across fields such as pattern recognition/understanding, multimedia retrieval, human feeling processing and so on to share their experience and discuss advanced techniques. The topics of interest include, but are not limited to:

- Object Recognition
- Image Detection and Segmentation
- Signal/Image/Video Recognition, Understanding and Retrieval
- 3D Image Processing
- Transformation between Images
- Multimedia Contents Analysis
- Human Feeling (KANSEI Information) Processing
- Signal Processing
- Others

Submissions:
Papers are invited from prospective authors with interests on the related areas. Each paper should follow the IEEE format with title, author’s names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to hama@info.eng.osaka-cu.ac.jp or thithi@sys.info.eng.osaka-cu.ac.jp

Important Dates:
Deadline for paper submission, March 10, 2007
Notification of acceptance, April 10, 2007
Deadline of camera-ready manuscript submission, April 30, 2007
